# Prince Kumar

Python Developer | Django Developer | Data Analyst  
Chandigarh, India

## Summary

Hi, I'm Prince Kumar, an experienced Python Developer with expertise in developing and maintaining Python applications, web services, and APIs. With a solid understanding of object-oriented programming and data structures, I strive to create efficient and scalable solutions for complex problems. I have experience working with Django, Flask, and other popular Python frameworks, as well as integrating third-party APIs and tools. I am constantly learning and exploring new technologies to stay up-to-date with industry trends and best practices. Let's connect and explore opportunities to collaborate!

---

## Education

Baba Banda Singh Bahadur Engineering College  
Bachelor's degree, Computer Science · (August 2020 - August 2024)
